Dear Candidate,

Congratulations on your decision to seek office in the upcoming Statewide Primary Election. Your candidacy provides voters a choice and is crucial to the democratic process.

This candidate handbook has been prepared to summarize major provisions of the California Elections Code and other laws related to candidates and committees involved in the elections process. The candidate filing process can be confusing, and I hope that you find the handbook to be both informative and useful.

The County Clerk/Elections Department is dedicated to helping all qualified candidates successfully complete the filing process and ensure the election is fair, accurate, transparent and administered with the utmost integrity.

The best advice for all candidates is to FILE EARLY. The filing deadlines are rigid and if one waits until the last moment to file a document that may contain errors or omissions, his or her right to appear on the ballot may be lost. Most mistakes and/or oversights can be corrected if given adequate time.

Our office staff is committed to providing the best possible service to you, your campaign staff and the voters of Nevada County. If you have questions or comments regarding an item, that you would like to suggest for future candidate handbooks, please write a letter, send an email to gregory.diaz@co.nevada.ca.us, or call me at (530) 265-1297.

All the best to you in your campaign.

Sincerely,

Gregory J. Diaz
Nevada County Clerk-Recorder and Registrar of Voters

AN OVERVIEW OF WHAT TO EXPECT

Elections Office Visits – Allow Adequate Time

Each step of the filing process is important and must be completed correctly. Candidates should expect to spend at least 30 minutes to begin the filing process. Future visits may take more or less time. It is important that candidates are prepared to take the necessary time to complete and review all appropriate documents.

Candidate Filing – The First Visit

During a candidate's first visit to the elections office he or she will receive all information regarding the filing process. Elections staff will explain optional and required documents, provide information about deadlines and answer questions. A candidate may obtain nomination package at this time.

Deadlines

Nevada County Elections has no authority to extend filing deadlines beyond those established by legislation. It is the candidate's responsibility to be aware of all deadlines and make sure that his or her appropriate documents and forms have been filed before the deadline.

FPPC Electronic Filing Disclosure Information

Nevada County Elections requires you to create your recipient committee campaign statements using our electronic filing system, NetFile, a web-based data entry filing system that allows campaign committees and other recipient committees to submit online their California Political Reform Act mandated campaign statements. Electronically filed campaign statements are viewable (with addresses redacted) online, and offer convenient and instant accessibility to committee filed information. The service is free and is available on the elections website. The biggest advantage in using the system as a filer is the system validates your data as you create it to help eliminate errors that would normally cause you to have to file an amendment.

NetFile offers free telephone training to help you set up your account and get started using the system. To sign up for a training session, go to <https://netfile.com/Content/CampaignTraining> and submit the online form. Please request this as early as possible as NetFile cannot schedule training within two weeks of a major filing deadline.

A candidate may submit a petition containing signatures of registered voters in lieu of paying all or a portion of the filing fee to run for office. The signatures submitted may cover all or a prorated portion of the filing fee.

Any registered voter who is a qualified registered voter of the district may sign an in-lieu filing fee petition for any candidate for whom he or she is eligible to vote. (EC §8106)

That portion of the filing fee not covered by the signatures must be paid in full before the nomination documents may be filed.

Signatures In-Lieu May be Applied to Nomination Signature Requirement: Candidates may request in writing to have valid signature in-lieu signatures applied to their nomination signature requirement. Candidates who obtain enough valid signatures are not required to circulate and submit Nomination Petitions. If the signature in-lieu petitions **do not contain** the necessary number of valid nomination signatures, the candidate must circulate and file a separate Nomination Petition to obtain the required number of valid signatures.

DECLARATION OF CANDIDACY

- **Filing Period – All Candidates**

02/12*/2018 – 03/09/2018

The Declaration of Candidacy is the official nomination document **required of all candidates**. On the Declaration of Candidacy the candidate indicates how his or her name and ballot designation is to appear on the ballot, declares he/she meets the statutory and/or constitutional qualifications for the office sought and the candidate will accept the nomination and not withdraw.

The candidate is required to execute the Declaration of Candidacy in the office of the elections official unless a written statement is signed and dated by the candidate authorizing a person to receive the Declaration of Candidacy Form from the elections official and deliver it to the candidate. The written statement from the candidate must include language indicating the candidate is aware the Declaration of Candidacy must be duly executed and delivered to the elections official in the county of the candidate's residence by the 88th day before the primary election. (EC § § 8020, 8023, 8028, 8101, 8105)

Name on the Ballot

Each candidate will state on his or her Declaration of Candidacy how his or her name should appear on the ballot. The name should be recognizable as the name under which the candidate is registered to vote, although it does not need to be identical. For example, a candidate registered as “Richard James Shaw” may use such variations as “Dick J. Shaw”, “Dick Shaw”, or “R. James (Bud) Shaw”.

Completion of the Declaration of Candidacy Form

Elections office staff will complete most of the Declaration of Candidacy Form for the candidate. The items that must be completed by the candidate include:

1. Printed name for use on the official ballot.
2. Ballot designation for use on the official ballot (refer to provisions provided in the *Ballot Designation Guidelines* handout in your Candidate Packet for more information).
3. Incumbency in any other elected public offices.
4. Signature and date where applicable.

OPTIONAL CANDIDATE FILING PROCEDURES

BALLOT DESIGNATIONS FOR CANDIDATES

If a candidate chooses to have a ballot designation title printed on the ballot then it **MUST be filed at the same time the Declaration of Candidacy is filed.**

A ballot designation is a title printed underneath the candidate’s name on the ballot. Any candidate who wishes to have a ballot designation printed on the ballot **must** complete a Ballot Designation Worksheet. (EC § 13107) This worksheet will also help a candidate determine an appropriate ballot designation. Please see the *Ballot Designation Guidelines* handout in your Candidate Packet for more information.

CODE OF FAIR CAMPAIGN PRACTICES

Must be filed at the same time as the Declaration of Candidacy is filed.

At the time an individual is issued his or her Declaration of Candidacy, Nomination Paper/Petition, or any other paper evidencing an intention to be a candidate for public office, the elections office will give the individual a blank form of the Code of Fair Campaign Practices. The elections office shall inform each candidate for public office that subscription to the code is voluntary. (EC § 20440) By signing and returning the form, the candidate is voluntarily subscribing to the Code of Fair Campaign Practices.

The Legislature at this moment declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters. (EC § 20400)

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and encourage candidates to discuss issues instead of untruths and distortions. (EC § 20400)

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State will provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial Campaign Statement on behalf of the committee.

The elections office will accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. (EC § 20442) Every code subscribed to by a candidate for public office pursuant to Chapter 6 of Division 20 of the Elections Code is a public record open for public inspection. (EC § 20443) In no event shall a candidate for public office be required to subscribe to or endorse the Code. (EC §20444)

Subscription to the code is voluntary. Completed forms are to be filed with the County Clerk and shall be retained for public inspection until 30 days after the election. (EC § § 20400 - 20

CANDIDATE'S STATEMENT OF QUALIFICATIONS

Must be filed and paid for at the same time as the Declaration of Candidacy is filed.

CANDIDATES ARE REQUIRED TO SUBMIT THEIR STATEMENT OF QUALIFICATIONS ELECTRONICALLY (DISC OR USB) IN WORD FORMAT AND ATTACH A WRITTEN COPY TO THE "STATEMENT OF QUALIFICATIONS" FORM PROVIDED BY THE ELECTIONS OFFICE.

The candidate's Statement of Qualifications, published in the Sample Ballot Booklet, is optional and is left entirely up to candidates to determine if they wish to submit a statement. The Statement of Qualifications may include the name, age, and occupation of the candidate and a brief description, totaling no more than 200 words (250 words for candidates for legislative office who meet FPPC eligibility requirements to submit a statement), of the candidate's education and qualifications expressed by the candidate himself or herself. The statement must be filed at the time of filing the Declaration of Candidacy. No reference to political party affiliation, mention of political party membership, or activity in the partisan political organization is permitted for candidates for nonpartisan office. No mention of political opponents is allowed. The purpose of the statement is to explain to voters the candidate's qualifications and experience.

A candidate statement may be withdrawn, but not changed, during the period for filing nomination documents and until 5:00 p.m. of the next working day after the close of the nomination period. Statements are confidential until after the close of the nomination period.

California Elections Code intends for uniformity of appearance of each Statement of Qualifications. By preparing your statement in accordance with the above guidelines, each statement will be uniformly printed and allowed the same amount of space in the Sample Ballot Booklet. Uniformity will avoid favored composition or printing of one candidate's statement over another.

All statements shall be printed in a uniform size, darkness, and with uniform spacing. (EC § 13307) All statements will be set in a justified format, so as to fit within a 1/4-page space. Entire Statements of Qualifications or phrases in all capital letters, multiple indentations, circles, or arrows are prohibited. Generally any characters that can be produced by a standard keyboard are acceptable (e.g., !, @, *, -, (), %, #).

Because California Elections Code mandates that all statements must be uniform, **bolded**, **CAPITALIZED** and underlined words are not acceptable. Indentations, bullets, or multiple underscoring will not be allowed. Items in a list will not be allowed unless the list is in the form of a paragraph. The candidate should check all Statement of Qualifications for spelling, punctuation, and grammar. The county elections official will not edit any material to correct mistakes. **Statements with spelling, punctuation, and grammatical errors will be printed precisely as submitted by the candidate.**

Nothing in the aforementioned shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Sample Ballot Booklet.

Copies of all candidate statements will be available for public inspection at the elections office after the expiration of the filing deadline. (EC §13311)

Note: It is the responsibility of the candidate if he or she has any questions concerning the guidelines for filing a statement to request assistance or clarification. If a candidate statement is submitted and found not to be in compliance with these guidelines, the Nevada County Registrar will make the necessary formatting changes to bring the statement into compliance. However, the Nevada County Registrar will not correct spelling or grammatical errors.

If a candidate wishes to have a candidate's Statement of Qualifications appear in Spanish as well as English, the charge will be doubled, and the candidate will also pay for the translation (\$100) by an approved Spanish language translator retained by the state-certified company that prints Nevada County's Sample Ballot Booklets.

HOW TO COUNT WORDS FOR A CANDIDATE STATEMENT

The county elections official uses the guidelines listed below for counting words.

- Name, age and office title (located at the top of the form) or signature (at the bottom) are not counted in the final word count.
- Punctuation marks are not counted as words.
- Geographical names such as cities, towns or states are counted as one (1) word. Examples: Los Angeles, City and County of San Francisco, Nevada County
- The words "a", "I", "and", "the" and "an" are counted as individual words.
- A monetary amount such as \$1,000.00 is counted as one (1) word.
- Abbreviations are counted as one (1) word. Examples: UCLA, U.S.A.F., PTA, AFL-CIO
- Hyphenated words that appear in any generally available dictionary shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
- Numeric combinations are counted as one (1) word. Examples: 1999, 13½, 1998-99, 5%, 6/1/99
- Any number that is spelled out, such as "one" shall be considered as a separate word or words. "One" shall be counted as one word, whereas "one hundred" is counted as two words. "#1" is considered one word.

Words will be counted by elections staff when submitted. If the text exceeds the word limit, the author must delete or change a sufficient number of words or sentences until the statement is within the required word limit.

CAMPAIGN DISCLOSURE INFORMATION

The FPPC has recently simplified and/or consolidated filing forms. However, these changes are not reflected in FPPC manuals, and information therein does not always correspond with recently updated forms and filing requirements. It is the responsibility of the candidate or committee to clarify inconsistencies and/or solicit answers to questions by contacting the FPPC toll-free at 1-866-275-3772. All FPPC forms and instructions may be downloaded from the FPPC website: www.fppc.ca.gov.

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state ballot measures who control a ballot measure committee, committees supporting or opposing state candidates, local candidates, and all measures, and petition circulation drives to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner. All candidates will sign an "FPPC Information Acknowledgement" Form. Reminders may be sent by the elections office. However, not receiving a reminder cannot be used as the reason for late or non-filing. The law provides for a \$10 per day late filing penalty for a statement filed after the prescribed deadline. The method of delivery, mail, in person, or fax, that is acceptable varies between deadlines. Any person who violates any provision of the Political Reform Act may be liable in an administrative proceeding for an amount up to \$5,000 per violation. (GC § 83116)

All disclosure statements are a matter of public record. They may be inspected at the elections office by anyone and copies may be purchased at ten cents (\$.10) per page.

The elections office has some Fair Political Practices Commission (FPPC) manuals and addenda for review. Candidates and/or treasurers should request their copies directly from the FPPC. It is strongly recommended that each candidate, treasurer, and committee, especially those who file Form 410, thoroughly review FPPC documents. If you have a question that is not answered by the documents, contact the FPPC toll-free at 1-866-275-3772.

A candidate who will not receive contributions from others, and whose only expenditures will be from personal funds for the filing fee and/or Statement of Qualifications in the Sample Ballot Booklet, does not need to file Form 501 nor Form 410. If the candidate has not already filed an annual Form 470, the candidate is encouraged to file a Form 470 at the time of filing nomination papers, and must do so no later than the first pre-election filing.

Candidates and officeholders who make campaign related expenditures from personal funds not to exceed \$2,000 must file Form 501. Candidates who plan to use personal funds exceeding \$2,000 to pay campaign related expenses, other than filing fees and/or statement of qualifications in the Sample Ballot Booklet, deposit those funds into an appropriate campaign bank account prior to making the expenditure and file Form 501 and Form 410.

Before a candidate may solicit or receive any contributions from others, a Form 501 – Candidate Intention Statement must be filed. If the candidate files a Form 470 and receives contributions, a bank account must be opened. If the candidate submits a Form 410 – Statement of Organization, the bank account information is provided on Form 410. Contributions of \$100 or more may not be received in cash, but must be on a written instrument that shows both the recipient's and contributor's names.

Before a candidate may accept campaign donations from others a bank account must be opened. However, personal funds may be used for the following transactions: (1) filing fee, (2) candidate Statement of Qualifications fee, and/or (3) up to the first \$2,000 for campaign expenditures as long as no contributions were received from others.

A Form 470 may be filed annually when submitting a Declaration of Candidacy, or no later than the deadline for the first pre-election campaign statement if the officeholder or candidate does not have an active controlled committee and will not receive \$2000 in contributions during the year.

If an officeholder or candidate files a Form 470 in connection with an election, and subsequently receives more than \$2000 in contributions, a Form 470 Supplement must be filed with the Secretary of State, the local filing officer, and with each opposing candidate within 48 hours. Regular mail may not be used.

If an officeholder or candidate receives \$2000 in contributions, including personal funds used for campaign related expenses, a Form 410 – Statement of Organization must be filed. See the FPPC manual for deadlines.

Once a Form 410 has been filed, the officeholder or candidate must file a Form 460 – Officeholder/Candidate/Controlled Committee Campaign Statement for all pre-election and semi-annual filings, whether or not it is an election year. The controlled committee is considered active until the Form 410 Termination has been filed. Whenever there is a change in any of the information contained in a previously filed Form 410 – Statement of Organization, an amended Form 410 must be filed with the Secretary of State and a copy filed with the local elections officer within 10 days to reflect the change.

FPPC CAMPAIGN DISCLOSURE FORMS

Depending on the form, the forms listed below or copies of the originals must be filed with the elections office, the Secretary of State, and/or the Fair Political Practices Commission. NetFile Electronic Filing System

Nevada County Elections requires you to create your recipient committee campaign statements using our electronic filing system, NetFile, a web-based data entry filing system that allows campaign committees and other recipient committees to submit online their California Political Reform Act mandated campaign statements. Electronically filed campaign statements are viewable (with addresses redacted) online, and offer convenient and instant accessibility to committee filed information. The service is free and is available on the elections website. The biggest advantage in using the system as a filer is the system validates your data as you create it to help eliminate errors that would normally cause you to have to file an amendment.

NetFile offers free telephone training to help you set up your account and get started using the system. To sign up for a training session, go to <https://netfile.com/Content/CampaignTraining> and submit the online form. Please request this as early as possible as NetFile cannot schedule training within two weeks of a major filing deadline.

POLL WATCHERS GUIDELINES

A *Poll Watchers Guide* has been prepared by the Nevada County Elections Office. One copy is available for each campaign free of charge.

Poll watchers may not interfere in any way with the conduct of the election or the closing of the polls. Any person who interferes with the conduct of the election or interferes with a voter is punishable by incarceration for 16 months to three years. (EC § 18502)

The election must be orderly. Do not talk in a loud voice, cause confusion, or congregate inside the polls. Do not ask to use the telephone or other facilities. The elections office must have the means of direct contact to all of our polling places at all times. The area between the official table and the voting booths is for voters only and may not be used as a poll watcher post. (EC § 14221) Poll watchers may not sit at the official table or handle any official voting equipment, supplies, or ballots. (EC § 14223) One index, in alphabetical order, is posted near the entrance to the polling place for reference by the public or any poll watchers. One of the two indexes is updated hourly to indicate persons who have voted.

Poll watchers may not wear candidate/measure badges, discuss candidates/asures or bring any campaign material into the polling place. This activity constitutes electioneering and is illegal. Electioneering may not be conducted within 100 feet of a polling place, defined as 100 feet from the room or rooms in which voters are signing the Roster-Index and casting ballots. The "Polling Place 100 Feet" signs that are posted outside of each polling place indicate the 100 foot boundary for electioneering. (EC § 18370)

NOTE: Because the lobby of the elections office in Nevada City serves as a polling place from 29 days before the election through Election Day, the above guidelines apply.

NEWS MEDIA EXIT POLLS

Members of the news media are permitted to conduct voter surveys outside of polling places on Election Day. Surveys may take place no closer than 25 feet from the door to the polls.

LEGISLATIVE INTENT/CAMPAIGN LITERATURE

Elections Code § 20400. The intent of Legislature

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices that tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Government Code § 84305. The manner of sending mass mailings (200 or more of identical or nearly identical pieces of mail)

(a)(1) Except as provided in subdivision (b), a candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the candidate's, candidate controlled committee established for an elective office for the controlling candidate's, or political party committee's address is a matter of public record with the Secretary of State. (d) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

Elections Code § 20008. Political Advertisement Requirements

Any paid political advertisement that refers to an election or any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering, the words "Paid Political Advertisement". The words shall be, at least, half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger. The words shall be set apart from any other printed matter. As used in this section "Paid Political Advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

Elections Code § 20009. Simulated Ballot Requirements

(a) Every simulated ballot or simulated county voter information guide shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

“NOTICE TO VOTERS
“(Required by Law)

“This is not an official ballot or an official county voter information guide prepared by the county elections official or the Secretary of State.

“This is an unofficial, marked ballot prepared by _____(insert name and address of the person or organization responsible for preparation thereof).”

This section shall not be construed as requiring this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) A simulated ballot or simulated county voter information guide referred to in subdivision (a) shall not bear an official seal or the insignia of a public entity, and that seal or insignia shall not appear upon the envelope in which it is mailed or otherwise delivered.

(c) The superior court, in a case brought before it by a registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition of cases of this nature.

(Amended by Stats. 2016, Ch. 422, Sec. 84. Effective January 1, 2017.)

Elections Code § 16. Literature Requirements

The elections official shall provide a copy of Section 84305 of the Government Code to each candidate or his or her agent at the time of filing the declaration of candidacy and to the proponents of a local initiative or referendum at the time of filing the petitions.

Elections Code § 18301. Printing of Simulated Sample Ballots

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated county voter information guide that does not contain the statement required by EC § 20009 or that uses an official seal or insignia in violation of Section 20009, is guilty of a misdemeanor.

Elections Code § 18302. Distribution of Precinct Polling Place Information

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to such mailing or distribution.

Elections Code § 20202. Authorization To Use Candidate or Committee Name

It is unlawful for any person who solicits funds for the purpose of supporting or promoting any candidates or committees to include in any part of its name the name of that candidate or committee unless that person shall have previously obtained the authorization of the candidate or committee or the candidate's or committee's designated agent to use the candidate's or committee's name in the name of that person.

Authorization by a candidate or committee shall not be construed as rendering the person soliciting funds a controlled committee as defined by Section 82016 of the Government Code.

Elections Code § 20203. Notice of Non-authorization To Be Included In Fundraising Communication

Any person who solicits or receives contributions on behalf of any candidate or committee for the purported and exclusive use of that committee or the candidate's election campaign and who is not authorized by the candidate or committee or the candidate's or committee's designated agent to do so, shall include a notice in any fundraising communication, whether through any broadcasting station, newspaper, magazine, printed literature, direct mailing, or any other type of general public advertising, or through telephone or individual oral fundraising appeal, clearly and conspicuously stating that the person is not authorized by the candidate or committee and that the candidate or committee is not responsible for the actions of that person.

Elections Code § 18576. Willful Interference With Return Of Vote-by-Mail Ballot Application

Any person who willfully (a) interferes with the prompt delivery of a completed vote by mail ballot application, (b) retains a completed vote by mail ballot application, without the voter's authorization, for more than three days excluding weekends and state holidays, or by the deadline for return of vote by mail voters' ballot applications, whichever is earlier, or (c) denies an applicant the right to return his or her own completed vote by mail ballot application to the local elections official having jurisdiction over the election, is guilty of a misdemeanor.
